Dear Name Of Moving Company:

The Washington State Department of Transportation is seeking contractors interested in providing a moving bid for the relocation of Insert Business. Moving bids are to be prepared in accordance with the attached Request for Proposal and Moving Specification.

The bid will enable the state to select an acceptable bidder. After selecting the successful bidder, the owner(s) of the personal property to be moved will be offered the opportunity to perform the move using their own resources for an amount not to exceed the lowest acceptable bid. In light of this, if you submit a bid, your company will be entitled to receive a reasonable reimbursement of costs incurred in preparing the moving bid.

All bids must be received by mail or fax no later than insert date.

Please let me know if you will be unable to attend the walk-through described in the attached Request for Proposal. If you have any questions, please feel free to call me at Insert specialist's phone number.

Sincerely,
